

## The Luxury Watch of a Lifetime

Finest Watches is a watch retailer and wholesaler based in Encino, California, USA. Finest Watches buys, sells and trades both new and pre-owned watches from a vast network of suppliers, dealers and collectors worldwide.

Founded in 1999, Finest Watches' mission is to provide quality watches, excellent customer service and the lowest prices anywhere on the world's Finest Watches.

Finest Watches is a California Corporation. If you are interested in partnering with us or if you want more information about our company, please contact us here.

Whether you're looking for an appropriate gift to mark a retirement, anniversary, graduation, or simply to recognize a personal milestone, the gift of a bespoke timepiece is more than just another present. It's an instant heirloom, meant to be passed down to the next generation as a mark of its owner's good taste and sophistication, to be worn and treasured day after day, year after year. Finest Watches carries the brands many only can dream of owning. Both our mechanical movement and quartz timepieces are still made by the old world, European craftsmen that made their names famous among collectors and enthusiasts worldwide. We're proud to offer our carefully curated selection now online for valued customers from New York to Los Angeles. No matter where you are, take your time in examining their unique qualities and benefits.

## ❑ Vacheron Constantin

Vacheron Constantin is the world's oldest manufacturer of fine watches. Founded in 1755, the company has been witness to the evolution of luxury watchmaking. It has excelled through out the years by never wavering from the very highest standards of excellence and style.

## ❑ Special Features

As one of the world's most venerable watch makers, Vacheron Constantin has played an important role in offering innovation and technology to the industry.

## ❑ Among the company's special features:

In 1770, the company produced its first complication watches.

## ☐ **Product Availability**

All products shown on our website are available within 7 to 10 days. If you can't find the watch you are looking for on our website, then please use our Special Order form to specify the exact model of watch. Sometimes a reference number for the watch is needed and we suggest you visit the manufacturers' websites available under our Links page. Browse through those items and let us know the exact model number you desire.

## ☐ **Quality Guaranteed**

All of our new watches come from authorized retailers for the brands we represent. Included with your purchase (unless otherwise stated) you will receive the original box and factory paper work from the manufacture. All watches are brand new, never worn.

## ☐ **Pricing Policy**

We strive to be price competitive and pride ourselves on our outstanding values. If you see a price lower than ours, please contact us to see if we can meet or beat that price.

## ❑ Patek Philippe

The Patek Philippe company stands for quality and reliability. As an illustration, each single automatic movement manufactured by the company is put through approximately 600 hours of quality control. The assembled watches are then taken through severe testing and observation for 15 days to one month (depending on the type of movement) before they are deemed ready for the customer.
